Attendees: Stuart Morrow, Ron Gagnon, Carole Carlson, Chet Thabault, Ernie Goodrich

7:03 Call to order.

1/13/16 minutes approved and accepted.

There is a 3 year term opening on the Cemetery Board.

Cemetery Supervisor Ernie Goodrich attended meeting. Presented projects he feels deserve immediate attention:

Culvert-Swale should be cleaned out to have better water flow.

South side of maintenance shed: Fisher development may affect water flowing through swale and who should pay to have cleaned out. Developer?

Cremation wall-Stone wall is failing and needs to be addressed.

Markers-there are a few stones that are failing and needed to be squared up.

Would like an updated map of cemetery.

Look at purchase of a few tools, leaf blower and water pump pliers.

Should town look at insurance for damage/repair of stones?

Board will need to let town know if part time help is needed.

Town Web site. Few changes, we do not meet on first Thursday of the month. Phone numbers removed and when click on "do I need to live here" presents no answer.

CBC: paper work due 8/2, present on 8/9/16 to Selectboard.

Memorial Day-5/30/16. Flags will be placed by 5/27 by board.

Carole handed out copied of suggested by law changes. Will review at next meeting.

Stuart to check and see if there was 2015 burial in Shelburne Farms Cemetery.

Next meeting is scheduled for 5/25/16 @ 7:00pm at town center.
