*Roadway within Village Cemetery finished with red stone.

*Cedars at south end of Village Cemetery have been trimmed to be single pole.

*Cost of cremation lots in Slocum Annex will be reviewed at future meeting.

*Ernie review items for all Cemeteries:

Lawn tractors-4 at shed. Zero turn 163 hours. 5 years old. JD 540 as years old, 2000 hours. JD540 8 years old, 1500 hours. JD 590, 2017, 562 hours.

Maintenance of Village, Spear and Webb cemeteries-mow & trim, trim shrubs, work on stones, clean up at beginning & end of season, maintain equipment.

Veterans flags-all Veterans need a flag either at headstone or Marker. Deb has found +/- 20 Veterans that have not had flags placed on Markers.

Rules & Regulations-concern for some lots that have items, planting, shrubs planted that are according to rules not allowed. Makes it difficult to maintain Cemeteries and concern planting getting overgrown, etc. Board will review.
