David - Two points to make. First, Gary was appointed spokesperson by the Selectboard and, second, the Selectboard Rules of Procedure clearly state that the Selectboard Chair has final say on Selectboard agendas. Therefore, the attorneys have neither the authority or ability to bind the Board to a special meeting or a specific topic during a regular meeting. I'm confused why you can't contact Gary directly. It's such a simple thing to do. His phone number and email are found below in this email string.

Hi Gary,
We would love to talk. Let's have the lawyers set something up for next week.
