

3/9 Public Meeting Announcement – Shelburne Walk Bike Connectivity Study Community Forum

Do you want to help build upon the numerous prior studies and plans to improve walking and biking in Shelburne? Please help us prioritize the many ideas and concepts previously recommended for making Shelburne a better place to walk and bike. Join us at an upcoming virtual community forum on Wednesday, March 9th at 7:00pm via Zoom!

Feedback received at this meeting and via an online survey will be used to help us create a prioritized list of projects that will be presented at a second community forum in late spring.
