Call to Order Meeting called to order at 6:05 PM

Review Agenda Agenda approved

Consider approval of minutes from March 11, 2020 Minutes approved with edits

Citizen Participation (Opportunity for public comment on any Committee Business that is not included on this agenda) none

Emerald Ash Borer Management Plan: UVM Student Project – Update/ Discussion with UVM Students, review Ash inventory roadways Our first Tree Committee Zoom meeting went well. Our UVM Student Intern team were able to join and discussed their progress on both the Ash Tree Inventory and their draft of the Management Report. The Intern team was not able to complete the inventory due to the disruption caused by the Corona Pandemic – which is of course understandable. Most of the meeting time was spent discussing the rough draft of the report. Adjustments, edits and additions/suggestions were made by the Committee members. Although there is still a lot of work to be done before the Select Board Meeting presentation (next week), committee members feel confident that the students will pull it all together. Although all of us are some years from college, we remember that our best work was always done under pressure of a deadline.

Arbor Day Celebration/Tree Warden Report Our Zoom meeting time was only 45 minutes and we had very little time left to discuss anything else.

Adjourn Meeting adjourned at 6:44.95
