

BPPC mtg

new guest Chandler - environmental hydrogologist
natural resources committee
here for the area that floods

no additions to agenda
minutes approved
public comments

Thomas- Ted wants us to follow up on mowing the area back behind us, Aaron suggested it was mowed already and is better

Nicole: T-haul was redone in 2003 by this group, 20 year celebration

Janet joined as guest

Trail maintenance

Trail had some issues, always wet in spring
Greg suggested relocate the trail

Joplin wrote to Don who reached out to Chaplin

LaPlatte was reclassified to class 1 wetlands so there are far more restrictions than class 2, so likely cant relocate

might do sure-pack or gravel or could do boardwalk

Need to reach out to Jonathan on natural resources a wetland scientist to do a site walk with state

have a scientist do an official delineation before bringing in stare

chandler to reach out to jonathan to schedule something

farmstead to quail way

tires have moved

what is background

Aaron- would need a few permits from the state

is it on town property? who owns it

committee members site walk 4pm 9/19 farmstead cul de sac

Allen Hill path at bay

gets wet

maybe walk that at some point

Bike Lane Demo

results will be presented at this meeting and then at selectboard

will present for october

Selectboard

Tuesday, Charlie will present strategic plan

Nicole will mention priorities

working group: landowner outreach

Nicole
Aaron
Barb

Working group: go through 2004 scoping study-Webster to school
if scoping folks know details, can take design further

Greg
Doug

State grants are up to \$370k and town needs to contribute 20%
Fed is min \$5M, town also 20%

Shelburne Forward

VCRD last meeting next Thursday 28th
walking biking connectivity and safety is top 3 priority
there will be a task force supporting us
give ideas on how other people can help
thoughts- walking and biking outreach, tours
leading traffic calming/road striping
expanding safe routes to school- Barb and Thomas agree this has not taken off
Thomas- no longer a crossing guard at church and rt 7

DRB

Jane- most recent have mostly been along rt 7

Aaron- 24 units proposed behind dutch mill. Build 12 more units just south of RT 7 deli

Nicole: thinks 2004 has easement from hulcrest to northside drive and if the developments are getting close. Jane they aren't close enough

Share strategic plan at february planning commission meeting
