

Town of Shelburne Advanced Emergency Medical Technician

Shelburne Rescue is seeking applicants for two part-time AEMT positions (24 hours per week, 7am-7pm). These positions will require you to serve as primary provider for our 911 ambulance, leading EMTs in 911 responses throughout Shelburne and its surrounding communities. Non-response administrative duties will include assisting volunteers with continued training, apparatus and equipment maintenance, and scheduling. Qualifications preferred are 3 years' experience, with 1 year's experience as a crew chief or sole provider at the AEMT level.

Full job description is available online at <http://www.shelburnevt.org/237/Human-Resources>.

Application materials (cover letter and resume) and questions should be directed to Jacob Leopold at rescue@shelburnevt.org. Equal Opportunity Employer.
